AAA Certification AB

Göteborgsvägen 16 H, Alingsås

**Certificate of conformity for factory production control
2296/CPR/580**

In accordance with Regulation 305/2011 / EU of the European Parliament and of the Commission of 9 March 2011 (Construction Products Regulation or CPR), this certificate (certificate) applies

Structural components in steel

Extensive:	Structural design and manufacturing of structural components and construction kits of steel
Design	Design included
Welding:	Welding included
Execution class (es):	EXC 1, EXC 2 and EXC 3
Welding process (s):	135 MAG 136 MAG
Base material:	S235 - S355, HX420LAD, HX500LAD
Audit statement:	Certification against regulation 305/2011/EU (CPR) in accordance with procedure 2+, Annex V (1.3.b). Declaration of performance shall be in accordance with Annex ZA 2.3 of EN 1090-1. Declaration and CE marking shall be in accordance with ZA.3.2, ZA.3.3, ZA.3.4 or ZA.3.5 i EN 1090-1.

Manufactured by:**LLENTAB Group AB**

Initial locations and companies see attachment with the same date as this decision.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

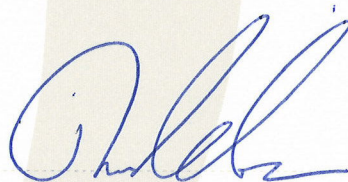

EN 1090-1:2009+A1:2011

under system 2+ is applied. The production control system meets the requirements set in standard and control system 2+.

This certificate was first issued on 2011-09-28. The certification is valid until 2026-09-28 provided that standards, products or manufacturing conditions have not undergone a significant change and that continuous annual monitoring and evaluation of the decided FPC system is carried out and demonstrates continued compliance with the requirements of the harmonized standard, provided that the certificate is not suspended or withdrawn.
